Ramp Information

PARKING LOCATION(S)

- Gate 3
- Parking is first come first serve and may be at any hard stand.
- Note aircraft type restrictions.

Ramp is a non-movement area.

Contact Ground Control prior to aircraft movement to avoid conflict with local traffic/movement area.

When tower closed: Make appropriate call on CTAF for all ground movement.

RAMP CAUTIONS/AIRCRAFT TYPE RESTRICTIONS

- Temporary hard stand pads in use
- E190 only at Pad 7
- No A321 Gates 2-7
- Gate 1 can accommodate all JetBleed fleet types
- Use caution for construction area
- Portions of ramp near TYY D may be closed
- Check NOTAMs
